VINTAGE

Vintage 2022 kept us on our toes, with variable weather and the peak of an Omicron outbreak here in New Zealand. Excellent teamwork meant we were able to harvest our fruit as it was ready, retaining vibrant acidity and concentrated fruit flavours. Rain throughout the growing season replenished soil moisture, which supported a better than average crop. Cooler weather leading into harvest has created slightly higher acidity, which is balanced with ripe fruit flavour. We're looking forward to sharing our 2022 wines with you!

WINEMAKING

Overlooking the ocean, we grow our grapes near the coast in Blind River and in the lower Wairau Valley. Our grapes enjoy the region's long sunshine hours, while the ocean breeze keeps things cooler and drier. This wine is made from a blend of Pinot Noir and Pinot Gris. The Pinot Noir was kept on skins for 12 hours, before being gently pressed. Both the Pinot Noir and Pinot Gris were cool fermented in stainless steel tank to retain the vibrant fruit aromas and flavours, before being tasted and carefully blended.
